On Dec. 27th (Saturday) @ approx. 3pm my daughter, Emily Shirkey, was attacked & bitten by this dog. She was with her friend, Torri Maulden, riding bikes on Argonaut Circle when the attack occurred. The girls got off their bikes. My daughter went on the dog property, & meant to talk to the dog who was sitting outside his dog shack looking very calm. She did not reach the dog, nor did she pet or provoke the dog. Her friend told her that she should leave the dog alone. My daughter then turned around to go back to her bike & the dog grabbed her right thigh from behind & latched onto her.

She fell to the ground & crawled away.
The dog bit down on her sneaker, took it off
& went back to his dog house with it.
Her friend knocked on several houses
until she was able to get help from
John Daniels, who lives near the accident
site. My daughter received approx 30 stitches
in her thigh @ TmH that same evening
